Dear Sunny

**RE: OFSTED Inspection on 15 August**

We would like to take this opportunity to thank you and your operatives for your patience and cooperation with the above visit.

As discussed previously this inspection was not about your company but the way we deal with our clients and candidates. Our assessors, John Gibson and Steve Plant, were very happy with the way the day was organised and the way in which you ensured that your operatives were made available for assessment and interviews with the inspector.

We have only been given verbal feedback at this time and this has been very positive, we are expecting the written report within 6 weeks. Although nothing can be confirmed as definite until the written report is received we have been told that, overall, construction was awarded a 2 grade, we are sure you will agree that this is excellent. The grades awarded are 1 – 4, 1 is outstanding and 4 is inadequate.

We would appreciate it if you could pass on our thanks to the candidates involved with the visit and would like to thank you once again for taking the time from your busy schedule to ensure the visit went without incident.

Yours sincerely

Lynne Connolly
